A meeting of District Indemnity Subcommittee was held on 30.12.2020 under the chairmanship of Civil Surgeon, Panchkula. Attendance list of the participant is attached. Following points were discussed:-

1. Compensation of Sterilization failure cases

Dy. Civil Surgeon (FW) informed to all the members that three sterilization failure cases have been received 2 from SDH Kalka and 1 from CHC Raipurani.

1. Gurmeet w/o Sh. Vikram kumar
2. Kamla W/o Sh. Harmesh
3. Nimita kumari W/o Sh. Bipul

All documents were scrutinized as per checklist and it was decided that the claim for compensation may be processed for all the cases.

2. Revised SOP's for sterilization in view of COVID-19

As per GOI guidelines the capping of sterilization cases at 10 during FDC is done with and more than 10 cases can be operated on one day but social distancing has to be maintained. It was decided that RTPCR test may be taken on arrival and sent to the molecular lab on same day so that tests can be run on priority and report given at earliest. Patients until be operated after report record.

3. Regarding training for empanelment of surgeons and gynecologist

The Dy. Civil surgeon (training) and master trainer (I/c Surgery, CH-6) decided that training can be resumed in February as presently no. of cases is very less and the training protocol will not be fulfilled.

4. Hon'ble Supreme Court Directive

Dy. Civil Surgeon (FW) informed to all the members and I/c of the operating centers should adhere to the directives issued by Hon'ble Supreme Court and asked for the regular compliance as per the directives so that the reports can be sent to the Director (FW) well in time.

The meeting concluded with a vote of thanks and Dy. CS(FW) requested that efforts may be taken by all participant to further improve the performance of Family welfare programme in the district.
