

Meeting of Meeting on dated 14-01-2021 under the chairmanship of Worthy Civil Surgeon Dr. Krishan Kumar, In this meeting following points are discussed :-

1. National Assessment for NQAS Certification of PHC Keharwala is scheduled on 1Feb 2021. The main gap observed at PHC Keharwala by DQT Team are lack of housekeeping staff, LT and House keeping staff need to be deputed from CHC Rania. Civil Surgeon gave approved for the same.
2. State Assessment of PHC Mallekan and PHC Panniwala Mota held on 11-01-2021. Both the PHC didn't performed upto the mark. Improvement and training is required at both PHC's. DQT has to be start training process as soon as possible. Mo's of concerned PHC's are directed by the Civil Surgeon to co-operate with DQT for further improvements.
3. Indoor and Surgical files has to be printed for District Civil Hospital, Sirsa as per verbal conversation with HQ. Agenda for the same was passed in the meeting and budget for same will be re-arranged in district level quality budget for FY. 2020-21.
4. Budget for Quality Improvement has been allocated to almost all the health care facilities in district Sirsa. Instruction regarding the same were given to incharges of all concerned health facilities to utilize the budget before the end of this financial Year 2020-21. Any kind of re-appropriation will to be approved by Civil Surgeon as per need.
5. Instruction were given by Civil Surgeon sir that change in any kind of budget head should be discussed with DQT and has to be according to NQAP & Kayakalp Checklist.

6. All the health care facilities has received quality improvement budget and they are directed to start preparing for kayakalp assessment. Any issues faced during kayakalp preparation can be discussed with DQT.
7. District Quality Team should guide and help all the health care facilities for preparation of kayakalp assessment.
